

<"Japanese language" courses offered by Gakushuin University's Foreign Language Teaching and Research Centre>

*The Centre offers a total of 12 courses (elementary, intermediate and advanced) in each term, with Courses # 1-4 for the first (spring) term and # 5-8 for the second (fall) term. The **CEFR-based level** of each course is shown below.

*Some students reach the targeted level in one term although we assume that students take two same-level courses in two consecutive terms.

*Different colors in the chart represent no special meaning.
